coming this august!

What is House Church all about?

House Church is our small group ministry. It's purpose is to help students grow closer to God, other students, adult mentors and the Body of Christ. House Church is a place to be known and cared for. House Church is where we learn to become the men and women God has created us to be all while living life in the context of a community!

When and where does House Church take place?

House Church takes place at homes all over the metro area. Your group will meet on Sunday evenings from 5-7 p.m. Your group and location will be announced at our **House Church kickoff on Sunday, August 21.**

Who will be in my small group?

Your small group will be made up of several students and two caring adults. On your registration, you can list several students and an adult(s) with whom you would like to share a group. We will do our best to place you with those people.

How do I sign up for House Church?

All you need to do to be in a small group is complete the registration to the right and turn it in to Josh Coats or any adult in the student ministry. Sign-up will be year around, but we need registrations by **AUGUST 14** in order to put initial groups together.

What if I have questions?

Contact Josh Coats at 789-9033, 317-8682, or josh@stmarksbethany.org.
