

# OPERATION WORLD

the definitive prayer guide to every nation

## I pledge to pray for the entire world in one year.

[www.operationworld.org](http://www.operationworld.org) is a great resource to be able to pray for the world. It gives information and prayer requests for a different country each day of the week. You can even sign up for their daily email of the country to pray for. Just type the webpage below in your web browser and sign up.

As important as it is for us to be radical in our giving, it is even more important for us to be radical in our going. In the next year you need to go somewhere to share the gospel or care for the needy in Christ's name. When God chose to bring salvation to you and me, He did not send gold or silver, cash or check. He sent Himself—the Son. How will we ever show the gospel to the world if all we send is our money?

If we are going to accomplish the global purpose of God, it will not be primarily through giving our money, as important as that is. It will happen primarily through giving ourselves. In addition to our S.T.R.I.V.E. workday and our student ministry mission trips, here are ways you can serve locally and around the world; [www.christmasconnection.org](http://www.christmasconnection.org); [www.infantcrisis.org](http://www.infantcrisis.org); [www.regionalfoodbank.org](http://www.regionalfoodbank.org); <http://rmhokc.com/>; [www.cityrescue.org](http://www.cityrescue.org); [www.feedthechildren.org](http://www.feedthechildren.org); [www.habitat.org](http://www.habitat.org); [www.adventures.org](http://www.adventures.org); [www.ywam.org](http://www.ywam.org); <http://new.gbgm-umc.org/about/us/mv/>

Sacrificing our money for a specific purpose isn't just giving extra money to something. It's actually making a sacrifice in how we live our lives in order to free up money for God's purpose in the world. Sacrifice is not giving according to your ability; it's giving beyond your ability. There are several ways this can be accomplished.

Here are a few sacrifices that can be made in this upcoming school year: **drink only water; don't go to a movie theater; give up cable television; give up Starbucks; don't buy any new games; give up eating out.**

Cutting back on our lifestyle will enable us to be a bigger blessing to others and frees up money for God's purpose in the world. Here are things you can give your money to: [www.compassion.com](http://www.compassion.com); [www.worldvision.org](http://www.worldvision.org); [www.heifer.org](http://www.heifer.org); <http://new.gbgm-umc.org/umcor/>; a friend or family in need.

This last challenge is where the first four challenges converge. Christ's command to make disciples is an invitation to give our lives for the sake of others. God has created us for community with one another, and the community we were created for is called the church.

We pray for the world, but we do not pray alone. We give and we go, but they must be tied to the multiplication of the gospel through the church.

We were not designed to do the radical challenge alone. The challenge for this upcoming school year is to commit your life to be an active participant at St. Mark's. Attend Sunday morning worship and Jesus University regularly. Make it a priority to be at Fuel every Wednesday night and sign up to be in a small group on Sunday nights at House Church. We need each other.
